

### Answers to FAQ's about Registering for edTPA

- Select 'Integrated edTPA Platform Provider System' if uploading through LiveText
  - If you are uploading after your internship semester window has closed in LiveText, select Pearson Registration
- Choose the edTPA test you will be completing that matches the edTPA handbook and templates you have been assigned
- Select THE COLLEGE OF NEW JERSEY
- Select 'Traditional university-based educator preparation program (no affiliation with alternative preparation route)' if you are a student completing your coursework in New Jersey
  - If you are completing your coursework outside of the US, select Alternative route affiliated with a university of college-based program
- Classroom Grade Level – if you are in multiple placements, select the grade placement where you did/will do your edTPA tasks 1-3
- Reason for Assessment – select 'Both of the above'
- Clinical Experience: number of weeks – 21-30; hours per week – 21-30
- Your scores are already going to TCNJ and the New Jersey Department of Education
  - You do not need to send your scores to another state unless you want to.
- You will receive an authorization key when uploading through LiveText
- You will NOT receive an authorization key when uploading directly to edTPA.com
